

# WELCOME to the WOODWARD COMMUNICATIONS FOUNDATION

Established in 1956 as a private 501(c)(3) foundation, the underlying tenet of the Foundation is to financially support and give back to the communities where Woodward Communications, Inc. (WCI) businesses are located. The Foundation's goal is to improve the quality of life in those communities by making grants to a wide range of organizations. Since its inception, the Foundation has made gifts exceeding \$7.5 million.

For decades, the Foundation's funding sources included Woodward family members and WCI. Currently, the Foundation's sole funding source is WCI, at the discretion of its Board of Directors. Grants are awarded by the Woodward Communications Foundation Board, whose members include: Tom Woodward, President and Director; Steve Larson, Treasurer and Director; Amy Wagner, Secretary and Director; Mary Anne Drewek, Director; Beth Lutgen, Director; and Bob Woodward, Director.

## HOW TO APPLY

The Foundation strives to communicate openly with grant seekers and grant recipients. This material is intended to increase the useful information for grant seekers and grantees. There are three separate processes to facilitate communication and save time for grant applicants. These processes are **screening**, **application**, and **application review**.
